

Access

home care and hospice...feel the difference

Not all home care agencies are created equal.

Reasons to choose Access Home Care:

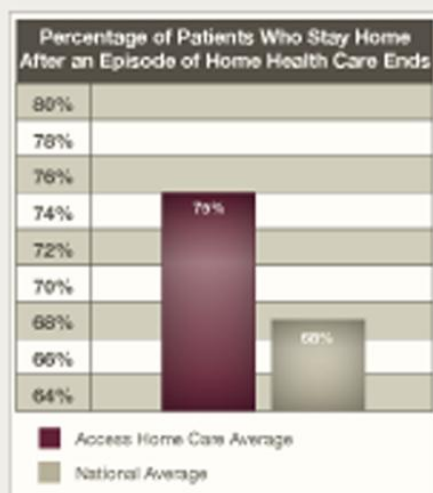

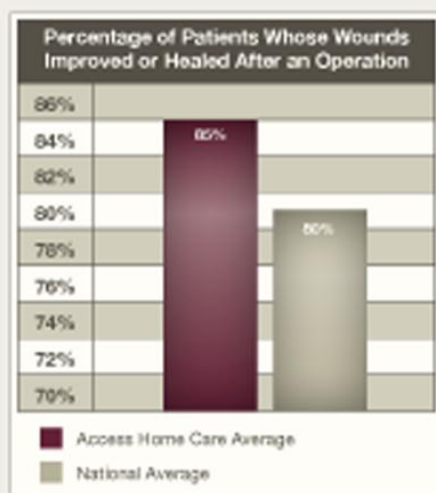

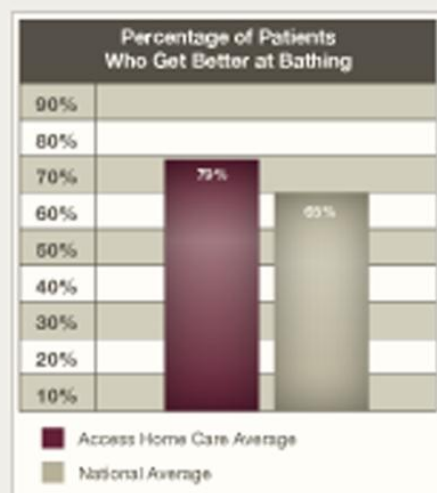

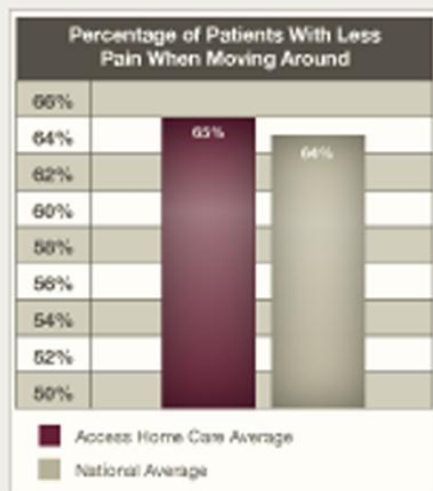

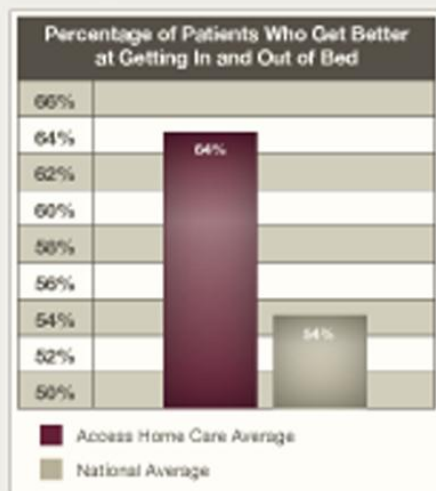

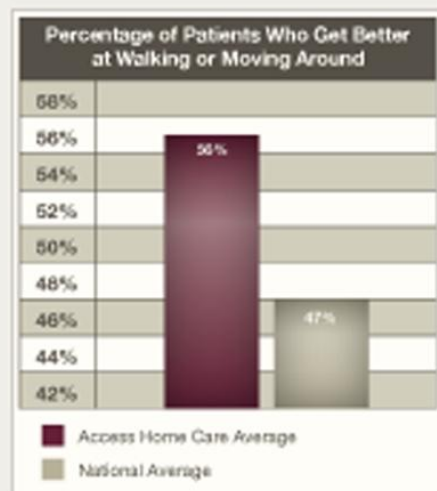

- A physical/occupational therapy team specializing in post-surgical rehabilitation
- Customized patient care plans developed from each physician's preferences and protocols
- Therapy will be initiated in the home within 24 hours of discharge
- Nursing and therapy staff to communicate and assist in physician follow up appointments
- Pre-operative consultation upon request of patient or physician
- Hip or knee kits and hot/cold packs provided with training at no charge by our therapy staff
- More therapy and nursing coverage than any other agency throughout Northern Utah, Southeastern Idaho, and Western Wyoming
- PT/INR capillary machine done in patient's home per physician request
