home care and hospice...feel the difference

## Not all hospice care agencies are created equal.

### *Reasons to choose Access Hospice Care:*

- Nurses, aides, chaplains and social workers trained specifically in hospice care
- Staff to provide comfort and assistance at the time of death or upon any change of condition
- Volunteers trained to provide patient and families assistance with companionship, daily errands, life reviews through narrative or scrapbooking, or other family needs
- Medical Director certified in hospice and palliative medicine providing expert knowledge in end-of-life care
- Accept Medicare, Medicaid, VA and most private insurances
- "Final Assistance" program which provides the patient and family with professional financial assistance at the end-of-life; e.g., credit cards, social security, family trusts, etc
- Medical alert devices provided when appropriate to assure safety to the patient and ease of mind to the family
- Locally owned and operated by clinicians allowing personalized care plans and services
- Largest coverage area of any agency in Northern Utah, Eastern Idaho, and Western Wyoming providing more services in far reaching areas

## What Patients and Families are saying about Access Hospice Care

Information compiled by Pinnacle Quality Insight

*"While we grieve our loss, I cannot help but consider the influence that each of you has had in my mother's life. You clearly brought a ray of sunshine to her last days, and provided important respite to me in my care giving. Thank you so much."*
